1. Frontier CR 7s Tournaments (FR7QT).

The Frontier CR designates three (3) tournaments as Frontier CR 7s Qualifiers. Each of these appointed events shall have a Qualifying Division incorporated into the tournament format. The structure and format must be reviewed and approved by the Frontier CR Sevens Director before the start of the event. {As needed there will be Frontier CR All Star 7s player tryouts coinciding with each of the 7s Qualifiers to be determined}. **Interested potential hosts should prepare a host application covering items defined in section 8 below.**

2. Regional 7s Qualifier Events

The Frontier CR will be divided into two separate competitive regions. Each one of the Geographic Unions will host at a minimum, one Frontier CR Qualifier appointed by the Frontier Geographic Unions will be defined as follows:

Rocky Mountain GU
Mid America GU

The awarding of the Frontier CR Qualifier tournaments will be done on a best efforts basis each year by the Frontier CR Sevens Director and approved by Frontier CR Board. Host clubs will be required to pay a host fee of \$800 to the Frontier CR prior to the event. *This fee may be subsidized in part or in full by the Host's Geographic Union (GU).* Interested Hosts must submit a written, detailed event host proposal, addressing all items as identified in item 8 below. The due date for Host proposal requests shall be no later than **21 February 2015**. Preference may be given to hosts whose club have been a consistent participant in previous Frontier CR 7s.

Based on the above stated criteria, the following events shall be deemed to have Qualifier status for 2015.

FR7QT #1	Host TBD	June 27, 2015
FR7QT #2	Host TBD	July 11, 2015
FR7QT #3	Host TBD	July 25, 2015

Entry fee for each of these regional events shall be \$400 per entering team. [The entry fee may be increased only if the host can show mitigating circumstances that provide benefits to the attending teams and to the Frontier CR that are beyond the requirements set forth in the Frontier CR Host Requirements]. Any team in the Frontier CR in good standing wishing to enter a team must be allowed participation as long they meet the entry fee deadlines as outlined below. **Failure to submit your entry fee prior to posted dates may result in your team being ineligible to compete in the event.** The Frontier CR Sevens Director will settle any disputes in a team's eligibility to compete. Entry Fees for each event shall be received by the host club on or before the posted deadline to meet eligibility.

FR7QT #1	Team Entry Fee deadline	June 13, 2015
FR7QT #2	Team Entry Fee deadline	June 27, 2015
FR7QT #3	Team Entry Fee deadline	July 11, 2015

3. Competition Points System

Points Awarded will be as detailed below. When calculating points awarded the Frontier CR will count points awarded in all scheduled Frontier CR 7s Qualifiers. Teams are required to attend a minimum of two (2) Frontier CR 7s Qualifiers to be eligible to qualify for Nationals. Points for each Frontier CR 7s Qualifier will be awarded as follows:

First Place	6 Points
Second Place	4 Points
Third Place	2 Points
Fourth Place	1 Point

Note:

- Each of the designated Frontier CR 7s Qualifiers will be required to schedule a match for 3rd and 5th place to determine places 1 thru 6. This is necessary in the event of any post match discrepancy or disciplinary actions.
- If one of the teams fails to play in this match, they will be regulated to the lower position. If both teams agree to not play, both teams shall be regulated to the lower place position. In the event of a 3rd place match not being played by mutual agreement of each team then no points will be awarded for 3rd place giving each team only 1 point.
- If there is a “non-Frontier CR” team that finishes in the top 4 spots, the next highest finishing Frontier CR teams will earn points according to the structure noted above. (for example, if a “non-Frontier CR” team places 2nd place then the winner of 3rd place would be awarded the 2nd place points(4), 4th place finisher will be awarded 3rd place points (2), and the 5th place finisher will be awarded 4th place points(1).)
- The Frontier CR Sevens Director is the only person that can determine if a 7s Qualifier bracket doesn’t need to host a 5th vs. 6th place match.
- Updated Competition points table to be published every Wednesday following each FR7QT on CR website {TBD} and emailed to participants and Frontier CR Competitions Committee.
